

12th October 2010.

Dear Clivia Enthusiasts,

Our next meeting is to be held on the 23rd October 2010 at the Garden World Nursery at 14h00.

The meeting will start with a feedback from the 2010 Show. The prize giving will follow. Winning members should please make an effort to attend and show us your faces!

Feedback will also be given of the Conference in Cape Town during September. The next Conference will be held in Pietermaritzburg in 2014. Start planning now to attend!

A talk will follow the prize giving. Allan Tait will present a talk on clivia documentation in history. Allan is a bibliophile and has researched historical accounts of clivias and will also inform us about book printing, binding and other interesting aspects of books, both the present and the past.

We learn that Keith Rose is not well and hope he recovers soon.

As yet we have no information about the publication of the Yearbook. This is disappointing but probably relates to the conference in Cape Town and the publication of some of the articles in the 2010 Yearbook.

Almost half of our members have renewed their subscription for 2011. This is a good start. The fee for 2011 is R200.00. Please do not deposit cash into the Club account as the service fees are prohibitive. When depositing by cheque or internet transfer, don't forget to use your name as reference and not eg. subscription.

All previous Yearbooks are available, as the out of print editions have now been re-printed. Interested parties may contact Lena van der Merwe to purchase copies of previous Yearbooks. (012-804-1899) There is a problem with her land line at present and I'll give you her cell phone number if you cannot contact her on her land line.

A big welcome to the new members who applied for membership at the show in September. Please make them welcome at the meeting. New members, don't be shy, introduce yourselves to the other members as you all have clivia in common.

Hope to see you all at the meeting. Regards - Glynn
